

STUDENT "PIONEER" DAY

On Students Day, Friday September 8th, from 9am – 1:30pm approximately 500-600 fourth graders in groups of 10-12 students will visit assigned stations at 15 minute intervals to experience aspects of early American life.

If you would like to participate in this year's Students Day – complete, detach the bottom of this form, and return the attached form no later than July 1st.

If you plan to be a part of the Pioneer Days on Saturday and Sunday, be sure to complete both forms and return them together in the enclosed stamped envelope. If staying overnight and participating in all three days, you will only need to pay for the camping fees - the Sutler/Vendor fee is waived. Also, a bagged lunch will be provided for each presenter.
