Lyme Lines

Pioneer Camp for 2022

Our Pioneer Camp was a huge success this year thanks to all the volunteer assistance we had from so many people. We will not attempt to name them all as we will certainly overlook someone.

30 young people learned how many of the pioneer children and families handled the day-to-day chores as well as the games they played and food they ate.

Here are some snapshots of the week.

From the President.....

As Spring is over it was very busy. The schools made up for lost time from the pandemic. There were tours almost every weekday in May.

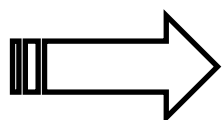

Pioneer Camp was sold out this year with a lot of great projects for the kids to do.

We had several rentals for the barn, cafe, and mansion.

We had a few more donations. As you read in the last newsletter, the toy tractor donation was awesome. It is now on display in the hardware store.

As far as maintenance projects, with over twenty buildings it is never ending. Several of the buildings are getting painted. Some are getting some rotten wood taken care of. There is some sprucing up going on with new flowers and less weeds.

Next month we have our Civil War Days and the 50th Anniversary events. In September we have our Pioneer Days. I look forward to seeing a lot of people at these events.
